

# CONNECTICUT Land Conservation Council

## **SPONSORSHIP INVITATION**

**33rd Annual Connecticut Land Conservation Conference  
March 18, 2017, 8:30am – 4:45pm (followed by post-event reception)  
Wesleyan University, Middletown, CT**

*Be a part of something special!*

Position your business or organization before a sophisticated and engaged audience of conservation volunteers and professionals, while helping the Connecticut Land Conservation Council (CLCC) to keep the Connecticut Land Conservation Conference accessible and affordable for all that wish to attend! We offer a range of sponsorship categories and associated benefits, including advertising opportunities for Conservation Service Providers.

***Connecticut's "go-to" event – from grass-tops to grass-roots!***

CLCC's Annual Conference is the state's largest annual full-day land conservation gathering, which consistently continues to grow in size and popularity. The 2016 Conference attracted close to 500 participants (another new record), including board members, staff and volunteers from Connecticut's land trusts, municipal land use commissions, state and federal agencies, and conservation organizations from grass-tops to grass-roots.

### **Conference Highlights Include:**

- Opening Plenary Session featuring a keynote speaker and Excellence in Conservation Awards ceremony.
- Full-day curriculum organized around subject matter tracks, featuring at least 24 workshops and seminars.
- Exhibits and Displays from land trusts, conservation partners and other sponsors.
- Post-Conference Reception for socializing, networking and taste testing of Connecticut grown refreshments

### **TO BECOME A SPONSOR**

Please review and select from one of the enclosed descriptions of the various sponsorship levels possible and return the **Response Form** on the reverse side by regular mail, e-mail or fax.

***Thank you! We count on your partnership and support!***

**The Connecticut Land Conservation Council advocates for land conservation, stewardship and funding, and works to ensure the long term strength and viability of the land conservation community.**

**Visit the CLCC website for details and updates!**
