

Regional Conservation Conversations

Join us to celebrate land conservation success stories!

Southwestern Connecticut - Easton

Thursday, July 26, 2018

4:00 - 5:00 pm

*Hosted by [Aspetuck Land Trust](#) at
Trout Brook Valley Preserve Blueberry Orchard
[Freeborn Road, Easton, CT](#)*

(When woods stop on left at 1st house lot, turn right onto dirt road through woods. Pass through 8' farm gate into orchard field. Follow road across field 300 yds. Turn left through 2nd farm gate and park.)

Join us to visit a land conservation success story made possible by the State, towns, private donors, and local organizations coming together.

Enjoy a walk exploring the site (inclement weather cancels), and talk with State legislators, other elected officials, land trust representatives, and community leaders about our state, regional, and local conservation priorities.

The event is free and open to land trust members and others who are interested. Visit [here](#) for the complete Summer 2018 schedule. Contact Christopher Shepard at cshepard@ctconservation.org with questions.

The Connecticut Land Conservation Council advocates for land conservation, stewardship and funding, and works to ensure the long-term strength and viability of the land conservation community statewide.
