

## **CONFIDENTIALITY STATEMENT SAHC VOLUNTEERS**

---

As a volunteer, I will avoid Conflicts of Interest that involve my volunteer duties to the Southern Appalachian Highlands Conservancy and any other interest or organization to which I have a duty, or any activity in which I am financially or otherwise interested.

I will conduct myself honestly and fairly in my involvement with SAHC. I will not use my position or knowledge gained during my association with SAHC for my private or business benefit (or the benefit of my family); however this does not preclude me from having a business relationship with SAHC.

If any real or perceived Conflicts of Interest arise I will disclose them immediately.

As a volunteer for SAHC I will keep confidential all information shared, observed, and discussed regarding SAHC, its conservation easement properties, owned properties, landowners and activities. This means that I will not discuss these topics with anyone outside of the staff unless specifically authorized to do so.
